MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with Ron Sable

I explained to Ron Sable our strategy for preserving the Reserve: calls by Casey, Gates or myself on all the Members of SSCI plus calls on a few others by Stevens. I also gave him a read out on the DCI Poindexter-Boren, Bradley meeting last week. Ron responded that Poindexter had called Dole over the weekend complaining that Durenberger was uncooperative about the Reserve. Dole apparently responded by postponing the SSCI Mark up to May 6, thus giving us plenty of time to make our pitch. Although we knew the Mark up was postponed, I did not know until now why it was postponed.
